“SEE TICKETS Ticket Cancellation Insurance”**

You just bought tickets for a show. If you reside in a country in the European Economic Area or Monaco and wish to protect yourself against certain events that may prevent the ticket holder(s) from attending the show, “SEE TICKETS Ticket Cancellation Insurance” is the perfect solution. It is specified, however, that the show ticket may be purchased independently of the insurance.

This information sheet is a pre-contractual document. It is provided to you pursuant to Articles L112-2 et seq. and L521-2 et seq. of the French Insurance Code.

The comprehensive description of the “SEE TICKETS Ticket Cancellation Insurance” and its exclusions are contained in the enclosed information leaflet, which we invite you to read carefully before making your decision to join or not.

WHAT IS COVERED?

“SEE TICKETS Ticket Cancellation Insurance” reimburses the insured ticket(s) if you are unable to attend the show for one of the following causes, occurring after the date of enrolment to the contract:

- Personal injury, illness or death of one of the insured persons;
- Personal injury, illness or death of a family member;
- Bodily injury, illness or death of the person who was supposed to take care of the insured's minor children during the show;
- Pregnancy complication in the insured person;
- Birth of a child or grandchild of the insured person;
- Strike of public transport on the day of the show;
- Significant material damage;
- Convening of the insured person as a jury member or witness;
- Convening of the insured person to a make-up examination;
- Work duress of the insured;
- Theft of identity papers (identity card or passport);
- Theft with assault or burglary of the insured ticket(s);
- Immobilisation of the insured's vehicle;
- Any other random event, provided that it results from a circumstance unintended by the insured or a member of his/her family, which was unknown or unforeseeable on the day of accession to the policy, resulting from a cause beyond the insured's control;
- The insured's medical treatment or isolation resulting from the insured's infection with Covid-19 (SARS-CoV-2 or coronavirus 2019 or its variants). Coverage is extended when the insured person is a “contact case” of a family member who is living in the same household as the insured and infected with Covid-19 (SARS-CoV-2 or coronavirus 2019) or one of its variants.

The coverage is limited to 1 (one) claim per insured ticket, up to a maximum of 3,000 euros including tax.

WHAT IS THE PRICE?

The amount of the insurance premium depends on the price of the ticket purchased. The exact amount is indicated on the SEE TICKETS website before purchasing the policy.

The insurance premium is paid by the member in full to SEE TICKETS at the same time as the policy is purchased and the show is booked.

WHAT IS EXCLUDED?

There are exclusions to the coverage. The policy does not cover cancellations due to certain events, including the following¹:

- **Error in entering the selection of ticket(s)/error in entering the order(s), namely: error in the number of tickets booked, error in the date, error of location, error in the choice of the category of place, duplicate purchases of tickets by the insured or by a third party on behalf of the insured at the time of booking the show;**

¹ The full list of exclusions is included in the Information Notice.

- Cancellation of the insured show itself or postponement or modification in the date, place, schedule, programming or organisation of the initially booked show;
- Malfunctions of the booking platform;
- Accident or illness that was the subject of an initial finding, treatment, relapse or hospitalisation prior to the purchase date of the policy;
- Non-compliance with the health regulations in force put in place by the government to attend shows or enter any type of premises receiving the public;
- Loss of insured tickets or identity papers;
- Periodic medical examinations for check-ups or observation;
- Wilful or fraudulent misconduct committed by the insured;
- Events for which the insured's "Cancellation Insurance" coverage may apply which were known to the insured at the time the policy was purchased;
- Failure to present, for any reason whatsoever, one of the documents required to collect the insured ticket(s), except in the case of theft of identity papers;
- Strikes, other than public transport strikes.
- Acts of civil or foreign war, riots, popular movements, acts of piracy, acts of terrorism, politically-motivated acts of violence, etc.;
- Epidemic or pandemic declared by the Ministry of Health or WHO, except in case of infection of the insured person with Covid-19 (SARS-CoV-2 or coronavirus 2019 or its variants) or when the insured person is a "contact case" of a family member living in the same household as the insured person who is infected with Covid-19 (SARS-CoV-2 or coronavirus 2019), or one of its variants.

All of the exclusions are included in the information notice.

HOW CAN I GET COMPENSATED IN THE EVENT OF A CLAIM?

In the event of a claim, the policyholder must report the claim as soon as he/she becomes aware of it and within no more than 5 working days of the date of occurrence of the claim, that is from the time the Insured became aware of the impediment to attending the show.

The price of the insured ticket within the coverage limit (less any amounts reimbursed by the organiser of the show) will be reimbursed in full to the policyholder by bank transfer within 48 working hours of receipt by the insurer's manager of all supporting documents.

If all the supporting documents cannot be provided, a deductible of 30% of the purchase price of the insured ticket, including tax, will remain at the policyholder's expenses.

If the insured contracts Covid-19 (SARS-CoV-2 or coronavirus 2019 or its variants), a medical certificate or positive test must be provided by the insured. If the insured person is a "contact case" with a family member living in the same household, he or she must also provide proof of Covid-19 infection and proof of address for that family member. Failing this, the insured may not benefit from the coverage.

WHAT IS THE DURATION OF THE COVERAGE?

The "Cancellation Insurance" coverage takes effect on the day of accession to the Policy on the SEE TICKETS website at the time of purchase of the insured tickets (subject to payment of the premium) and automatically ceases on the date and time of the booked show or, in case of tickets which are valid for several days, at the end of the first day of the booked show.

HOW CAN I WAIVE MY MEMBERSHIP?

The policyholder may cancel his/her membership in the policy within 14 days by sending an e-mail to PHENOMEN at one of the following email addresses: contact@meetch.io or by post to 141, avenue de Wagram 75017 Paris.

This document can be prepared using the following template: *"I, the undersigned, [surname, first name and address], wish to waive my membership in "Cancellation Insurance" policy no. 2.500.361 and request reimbursement of the premium already paid, as applicable. Date and signature"*.

The insurance premium paid when purchasing the policy will be reimbursed in full to the member.

However, if the Policyholder requests to benefit from the "Cancellation Insurance" coverage during the cancellation period, under the conditions provided in this Information Notice, he/she may no longer exercise his/her right of waiver, and this declaration constitutes his/her agreement to the immediate performance of the Policy. Moreover, this right to waive can no longer be exercised from the date of the show.
